One step to great pictures

At DreamStudio, we take the time to understand your needs and create the photographs that convey the best image of you and your organization. We offer photographic services for corporate, medical, industrial, education and non-profit clients. DreamStudio photographers combine the visual skills of artists with the skills of businessmen to deliver images of the greatest quality. When you need your pictures taken, we fit in your schedule and deliver the services at your best convenience.

Professional Services

Are you organising a big corporate *hospitality event or product launch*?

Are you are looking for *professional corporate photography* that really captures the mood of your event?

Are you looking for photography for your *public relations and events management publicity* needs?

... then call us at DreamStudio

Do you run an events venue or prestigious location that needs top quality photographs for brochures and literature?

Do you need images that can show off why your venue is just what potential clients are looking for?

We can help you get it right.

Best Price

We can provide digital photography services at an Hourly rate (minimum 1 hour)

- 1st hour \$100
- Additional time \$70 per hour or part thereof
- Day Rate (8 hours) \$500
- Half day \$300

Precise rates vary with the number of images required, and their anticipated usage.

Product photography at our studio is usually covered on a per item basis, and depends on number of items.

*Travel is charged on a mileage basis, except in the local (Mercier-Hochelaga) area where this is usually waived.
